## [Verse 1]

Em Bm  
As the night is leaving, silently retreating down an empty hall

Em Bm  
Suddenly a stirring, finally recurring where I let it fall

C G  
Following the wand'rings of a dream, a dream that keeps my soul alive; believing

F  
in an open sky  
B  
Believing in a love.

## [Verse 2]

Em Bm  
Dancing with a stranger, careless of the danger; There within his smile

## [Verse 2]

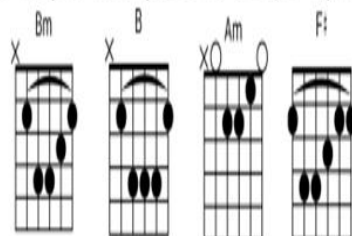

Em Bm  
Dancing with a stranger, careless of the danger; There within his smile

Em Bm  
While the dew was forming, breathing in the morning like a sleeping child

C Em  
If the memory of the light should fade horizons reaching cold and blue, until your  
Am  
heart is free to fly

Bm Em Am Bm  
Then I will keep the sun for you. Until you touch the open sky. Then I will keep

Em  
the sun for you

## [Bidge]
