Version studio

[Intro]

G F G F Am G

G F G F Am G

[Verse 1]

C

Ev'rything you say

Am

Ev'rything you do

Em

Always seems to put me down - put me down

C

Is there something wrong

Am

Do I still belong?

Em

Is it just a run-around? Run-around?

[Bridge]

F

Don't say, he's not the reason why

Am

When I lie awake

G

It's his name I hear you cry

[Verse 2]

C

Thought he'd left your mind

Am

Em

After all this time stood between your fantasy - fantasy

C

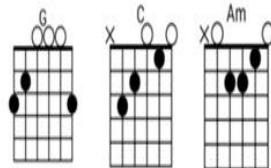

Am

Guess I always knew, he'd be haunting you

Em

Stealing what you had from me - had for me

1985

[Bridge]

F

<https://youtu.be/423ui4arUFA>

I can't stand, here and let it die

Am

Ev'ry step, you take

G

I'll be there right by your side

[Chorus]

F

'Cos it's breaking up my heart, Feel like dying

C

Breaking up my heart, Feel like crying

F

Tell him where to go

Dm

Show the man the door

G

'Cos ev'rything you do, is breaking up my heart

[Verse 3]

C

I won't let you go

Am

Baby Never know

Em

Can't you get it through your head? Through your head?

C

I won't set you free

Am

You belong to me

Em

What he had for you is dead - love is dead

[Bridge]

F

Love burns fire that never cools

Am

G

Don't you know that love hurts people who break the rules?

[Chorus]

F

'Cos it's breaking up my heart, Feel like dying

C

Breaking up my heart, Feel like crying

F

Tell him where to go

Dm

Show the man the door

G

'Cos ev'rything you do is breaking up my heart

[Solo] Saxo suivre avec ces accords..

C Am Em G C Am Em G

C Am Em G C Am Em G

[Bridge]

F

I can't stand, here and let it die

Am

Ev'ry step, you take

G

I'll be there right by your side

[Verse 4]

C

I won't let you go

Am

You never know

Em

Can' you get it through your head - through your head

C

I won't set you free

Am

you belong to me

Em

What he had for you is dead - love is dead

[Bridge]

F

Love burns fire, that never cools
