## [Verse 1 ]

A  
I hear songs on the radio

E  
They might be fast or they might be slow

A  
But every song they play's got me thinkin' 'bout you

A  
I see a fella walkin' down the street

E  
He looks at me and he smiles real sweet

E  
But he don't matter to me 'cause I'm thinkin' 'bout you

Every little dream I dream about you

A  
Every little thought I think about you

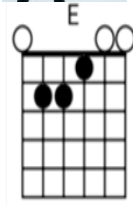

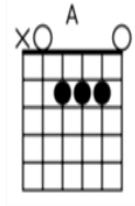

E  
Drives me crazy when you go away

A  
I oughta keep you locked up at home

D  
And like a wild horse I wanna break you

A  
I love you so much I hate you

My tongue gets tied when I try to talk

E  
My knees get weak when I start to walk

A  
So I might as well stay home and keep thinkin' 'bout you

A  
The Young and Restless on my TV set

That's just like us when we first met

And when they start to kissin' got me thinking bout you
