## [Verse 1]

**Am C**  
No milk today, my love has gone away.  
**E Am E Am**  
The bottle stands forlorn, a symbol of the dawn.  
**C**  
No milk today, it seems a common sight,  
**E Am E Am**  
But people passing by don't know the reason why.  
**A G**  
How could they know just what this message means,  
**D E A**  
The end of my hopes, the end of all my dreams,  
**G**  
How could they know, a palace there had been,  
**D E A**  
Behind the door where my love reigned as queen.  
**Am C**  
No milk today, it wasn't always so,  
**E Am E Am Am ....**  
The company was gay, we turn'd night into day.

1966

## [Chorus]

**A E D E**  
But all that's left is a place dark and lonely  
**A E D**  
A terraced house in a mean street back of town  
**A E D E**  
Becomes a shrine when I think of you only  
**D E**  
Just two up two down.

## [Verse 2] <https://youtu.be/9T0W8bTkcXY>

**Am C**  
No milk today, it wasn't always so,  
**E Am E Am**  
The company was gay, we turn'd night into day.  
**C**  
As music played the faster did we dance  
**E Am E Am**  
We felt it both at once, the start of our romance.  
**A G**  
How could they know just what this message means,  
**D E A**  
The end of my hopes, the end of all my dreams,  
**G**  
How could they know, a palace there had been,  
**D E A**  
Behind the door where my love reigned as queen.  
**Am C**  
No milk today, my love has gone away.  
**E Am E Am ....**  
The bottle stands forlorn, a symbol of the dawn.
