[Verse 1]

Well, I'm standing by a river, but the water doesn't flow
 It boils with every poison you can think of
 And I'm underneath the street light, the delight of joy I know
 Scared beyond belief, way down in the shadows

1989

[Bridge]

And the perverted fear of violence
 Chokes the smile on every face
 Common sense is ringing out the bells

[Chorus]

This ain't no technological breakdown
 Oh no, this is the road to hell

[Slide Solo]

[Bridge]

And all the roads jam up with credit
 And there's nothing you can do
 It's all just bits of paper, flying away from you

[Verse]

Oh, look out world, take a good look, what goes down here
 You must learn this lesson fast, and learn it well

[Chorus]

This ain't no upwardly mobile freeway
 Oh no, this is the road
 This is the road
 This is the road ... to hell

[Outro Solo]
